

Окотруб Александр Владимирович – доктор физ.-мат. наук, профессор, заведующий Лабораторией физикохимии наноматериалов Федерального государственного бюджетного учреждения науки Института неорганической химии им. А.В. Николаева Сибирского отделения Российской академии наук, почтовый адрес: 630090, г. Новосибирск, Проспект Академика Лаврентьева, 3. тел. 330-53-52, E-mail: spectrum@niic.nsc.ru

(02.00.04 – Физическая химия)
